

CALIFORNIA SCIENCE & ENGINEERING FAIR SIGNATURE CARD

Each participant must complete his/her own Signature Card. This includes each member of a team project.

Both the participant and a parent/guardian must sign the Signature Card.

In the first line, include the Application Confirmation Code which was provided to you when you completed your online application.

NAME OF APPLICANT (printed)	APP CONFIRMATION CODE E
BRIEF TITLE OF PROJECT (for confirmation of identification)	

In consideration of your permitting the undersigned student to take part in the California Science & Engineering Fair, we waive all claims against CSEF and all sponsors for injury to or death of persons or loss or damage of property in any way occurring in connection with CSEF, and we agree to indemnify and hold them harmless against all such liability. By the undersigned applicant's participation in the California Science & Engineering Fair, we agree that the applicant and applicant's project may be photographed, filmed, or taped, and that the California Science Center Foundation may use such photographs, film, or tape, and applicant's name and project description in connection with the California State Science Fair and the promotion of CSCF, and that we will not make any claim for invasion of privacy or any other legal right in connection with such uses by CSCF. We acknowledge and agree that CSCF may identify applicant's grade level and school. We have read and understood the regulations governing the California Science & Engineering Fair and agree to abide by them.
